About the class

A 15 week intensive training course for Performers! KICK will engage a director to direct a well known play. Students will then rehearse in the two hour block over 15 weeks to bring the piece to performance standard. The play will be presented in week 15 for friends and family. Each play will be a separate cast. Each production will be by audition and THEN the cast member enrolls. The class fee includes classes for 15 weeks, a Director, additional rehearsals, props, costumes and hall hire.

Class fee \$480 for 15 weeks (2 pays of \$240)

Please note, classes start 5th March for Years 9-12 & 18+ and 8th March for Years 4-8. Classes will run through until the end of Term 2, excluding School holidays.
