Boys love to dance, but some resist when put in classes with girls and we understand this. That's why we run Bust-A-Move! This class is very popular and caters specifically to the physical needs of 5-7 year-old boys. Boys Only+allows each student to develop his own style comfortably, thereby gaining and increasing confidence. There is nothing like the look of achievement on boys' faces when they master cool moves. They can't wait to show us again and go on to learn more. Classes comprise of half an hour of Tap and half an hour of Hip-Hop/Funk.

Jazz & Tap is a popular combination for energetic and enthusiastic students who have at least twelve months of Jazz & Tap tuition behind them. This class covers technique at a faster pace, which enthuses and inspires students to learn at a higher level. Students cover all the basics but also concentrate on more difficult areas of technical development and performance.
