BORN TO ACT! 8 – 12 Year Olds

**Week 2-Mon-Fri
(5 day prog 9.00am-4.00pm)**

5D \$350.00

If you are an aspiring actor, then this course is for you. We don't treat you like kids at a holiday workshop, we take you straight to the level that you want to work at - we get it! And we like kids, like you, who want to work and really learn - and have HEAPS of fun and laughs along the way. Forget drama games, why not get straight to learning real Improv techniques as taught in Canada and the US! Forget performing scripts that everyone has seen, how about working with experienced writers who will help you create your own, so that no matter where you perform, no one else will present the same work as you. A real advantage at auditions or school talent quests. Great for students wishing to audition for KPG Drama Company or a selective performing arts high school.

Taught by some of the industry's brightest and most inspiring teachers, this course consists of six one-hour classes each day including Theatre Master Class, Advanced Skills, Accents & Dialects, Acting for Screen, Improv and Filmmaking & Industry. In 2009, numerous students were cast in rolls as the direct result of KPG workshops. Students enrolled in this course will be graded and placed into the correct group. Entry is open to all, but a presumed level of knowledge is expected. If you are unsure, please call the office before you enrol and we will help you. A great workshop for students serious about taking their performance to the next level.
